

LEADING DISTRIBUTOR OF SOLAR ENERGY PRODUCTS

About us:

Sunfuel Energy started in 2014 in Ajmer, Rajasthan by Electrical & Electronics engineering background professionals having more than 15 years of experience into Solar & Power Backup field. We at SunfuelEnergy, give 100% energy saving solutions to our customers. We are pioneer in the field of Solar Energy Solution in Ajmer. We are dedicated towards clean, green, renewable energy products and power saving products such as Solar Products, Electric Vehicles, Energy Efficient Products, LED Lights, Inverters, Online UPS, Batteries (SMF, LA, Li-Ion). We aim to be one stop solution provider in Solar & Energy Saving Products and best solution provider also. We at Sunfuel Energy, our core expertise in technical solutions in Solar, Electrical and Electronics gives us edge over competition.

Our Current focus areas are Solar Power Plants, Supply of all Solar Products, EV Chargers, Energy Efficient Products, Clean & Green Energy Backup Solutions, LED Lighting etc for domestic, commercial as well as industrial applications.

Mission:

To help people to reduce their electricity bills and make it more affordable than ever.

Vision:

To become the most preferred company in the field of Solar & Power Saving products.

Why Solar Energy?	Why Sunfuel Energy?
Clean Energy	Most technically experienced team
Reduced Electricity Cost	MNRE (Govt. of India) approved products
Good Return of Investment	Dedicated to Solar Energy as our name suggest
Reduce dependency on Grid Power	More than 95% satisfied customer base
Can be used anywhere	One and only one stop supplier of all solar products
Customized Solutions	On time delivery
Sustainable Energy	Very reasonable prices
Increased Life Cycle	Competent team
Free of cost available	Young & Enthusiast
Carbon Credit	

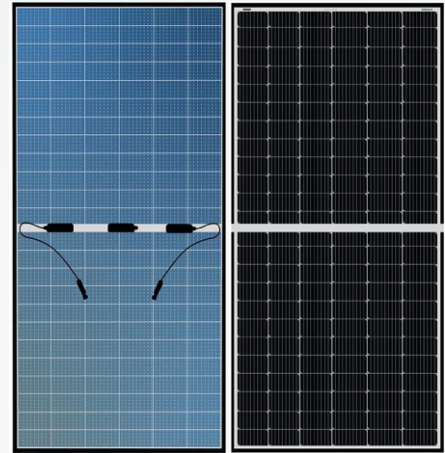

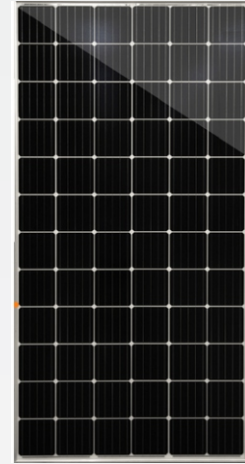

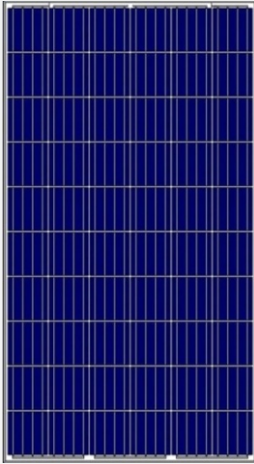

Our Products & Services:

Solar Modules (Poly Mono, Bifacial)	Solar On Grid Power Plants
Solar Inverters (String, Micro, Hybrid)	Solar Off Grid Power Plants
Solar Distribution Boxes	Solar Water Pumping System
Solar Pumps	Solar Water Heating System
Solar Pump Controllers	Solar Street Lighting System
DC and AC Wires & Cables	Electric Vehicle Charging Solutions
Structures	Energy Saving Solutions
Earthing & LA	Power Backup Solutions
MC4 Connectors	Electrical Panels
Hardware & Accessories	Distribution Boxes
EV Chargers	

Our Products:

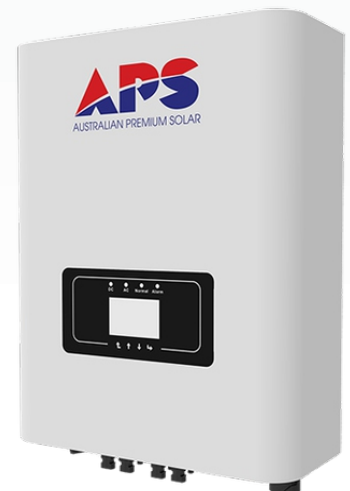

- **Solar Modules**

Available Range: 20Wp to 400Wp (Renewsys, Adani, Vikram Solar)

- **Solar Ongrid Inverters**

Available Range: 1 KW to 100 KW (APS, EVVO, Huawei Make)

- **DCDB, ACDB**

1 KW to 100 KW (SPD Make: Elmex, Phoenix) (MCB Make: Schneider, Eaton)

- **Solar Pumps**

Available Range: 3 Hp to 30 Hp (Pluga, KSB, Texmo Make)

- **Solar Pump Controller**

Available Range: 3 Hp to 30 Hp (HT, Frecon, INVT Make)

- **DC & AC Wires & Cables**

Available Range: DC 4 Sq MM, 6 Sq. MM (KEI, Polycab & HPL Make) and up to 10 Sq.MM AC Copper

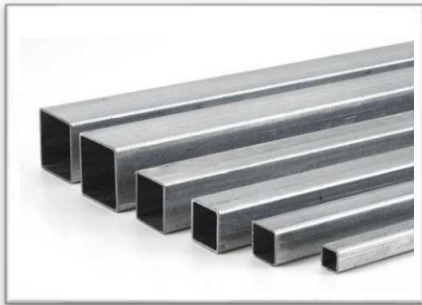

- **Net & Solar Meters**

Available Range: 1 Ph LT to 3 Ph HT (HPL, Secure & Genus Make)

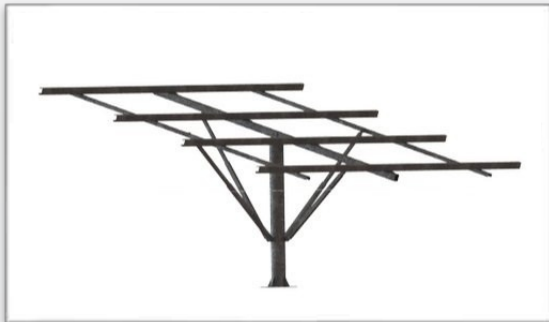

- **Galvanised Pipes and Strut Channels**

Available Range: 25 MM to 90 MM Square & Rectangle (APL Apollo, Tata, Jyoti Make)

- **Solar Pump Structure**

Available Range: 8 & 10 Panels Single Axis MMS Available in Galvanised Pipes and HDGI

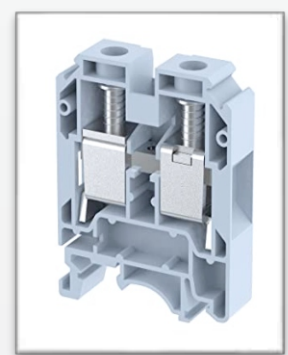

- **Earthing & Lightning Arrester**

Available Range: 1 Mtr – 3 Mtrs GI and Copper (TruePower, SJL Make)

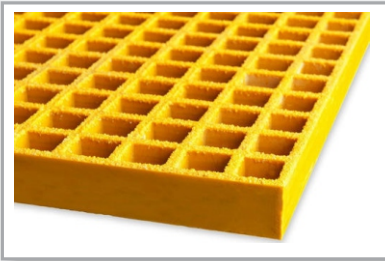

- **Electrical Accessories & MC4 Connectors**

Available Range: DC Fuses, SPDs, DC & AC MCB
 Connectors 1 Pin (1 In 1 Out) to 5 Pin (5 In 1 Out)
 Available Makes: Elmex, QC, Staubli, Ningbo

- **FRP Pathway, Washing Nozzles, Cables Ties, Earth Pit Cover**

Available Range

- **Hardware & Accessories**

Mid Clamp, End Clamp, Spring Nut, Allen Bolt, Anchor Wedge Fasteners, J Bolts, GI Nut Bolts

Thank you !!!

“
Looking forward
to have your
valuable order.
